RE-ISSUED FEBRUARY 28, 2000

LABOR ALERT

Subject: Family Housing

This information is provided to inform you of the policy regarding single family housing.

Policy

The current policy in Wisconsin allows that only single families occupy one-family housing units. In developing this policy, the Department recognizes that a single family might include parents and their unmarried children, a grandparent, an unaccompanied married child or a dependent minor relative. Several factors were taken into consideration, the most important of these being to ensure the privacy of the family members and the integrity of the migrant family.

Exceptions

The Department may, at its discretion, allow exceptions based on an evaluation of the individual situation, taking into consideration these factors:

- Privacy of Occupants
- Relationship of Occupants
- Preference of Family Members
- Compliance with Applicable Laws
- Employers' Justification
- Size of Units
- Health and Safety

Questions may be directed to Mateo Cadena at (608) 266-0002 or your local Migrant Labor Inspector.
